We suppose Mr. Woodard has been conferring with other Southern Democratic Congressmen, and that this is their idea also. If so, this shows that the Southern Democrats have already given up the fight against the goldbugs. They are willing for the nominee for President to be a goldbug, provided a weak, halfhanded resolution about silver is put into the platform.

The papers are being written by General Harrison especially for women, to meet a growing, widespread desire on their part to intelligently understand the workings of our Gov ernment and the great National ques tions. OPINIONS OF EXPERTS.
On December 13, 1893, Dr. Herman M. Biggs, bacteriologist of the health board of New York city, informed that body that consumption was caused by a small louse, parasite or germ; that it was contagious and eats up the human lung. On December 14, 1893 (see Health Reports), the health board decided that Dr. Biggs was correct in his diagnosis, and passed a resolution to isolate all persons in the city suffering with consumption. Therefore, it is the bugs, simply the bugs, we have to fight in cases of consumption.

to you to find a bug, worm, bee, spider, wasp, louse, or human parasite, germ or microbe that can live in Swamp Angel
Medicine. Drop any consumption remedy or cough medicine on a spider, a bee,
or even a fly, ten to one that such an insect will commence to eat of your "great
and wonderful medicine." Then let a small portion of Swamp Angel Medicine
fall on a board three inches or more from a fly and instantly it commences a series of girations, and soon falls over dead, killed by the poisonous gases of Swamp
Angel Medicine. Then pour out thirty drops of Swamp Angel Medicine in sugar, swallow it, close your mouth, and you can feel liquid fire and gases coming
through every air-cell of your lungs and passing off through the nostrils. Common
sense must thus show you that the same gases which are so deadly to the fly must
certainly have a similar effect on the "tubercie bacilli," the moth eating parasite
on the lungs.

THE FIRST CURE MADE.

In December, 1892, I started from Georgia to Florida to die ... consumption. The disease had been slowly creeping on me for afteen years. I was a skeleton, 120 pounds—no digestion, no appetite, no ambition, and no special desire to live. On my way South I became acquainted with an old Doctor. With his help and advice I invented the Swamp Angel Medicine. On March I, 1894, I had been using this medicine about fourteen mouths, from 100 to 300 drops a day. On my return to Atlanta, after an absence of less than a year selling this medicine, I stepped up to Mr. Wright, chief of the detective force in Atlanta, and one of the smartest men in Georgia remembering faces, and extended my hand. He said: "Really I don't remember you; seems like I have seen you some where." This is D. W. Marion, the man you saw three straight months every day at 97 Decatur street." "Indeed, indeed! Is that so? I never would have known you. How you have changed! You look ten years younger. What on earth have you been doing to yourself?" "Taking from 100 to 300 drops of Swamp Angel Medicine every day," was my reply. Mr. Bransan, chief clerk of the city delivery for the Lamar-Rankin Drug Co., who sold me drugs every day for three months, did not know me on my return. I had a room rented on Cherry street, Macon, Ga., during 1892. I met the policeman, Mr. Taylor, of that beat, a year after I had commenced the use of Swamp Angel Medicine. He said: "Surely you are not the man who was dying of that terrible cough and lung trouble in the rear of Wing's printing house? Why, when I passed your room at midnight I heard that cough. I said to myself, "You are not long for this world." And here you show up in the pink of health. What have you been doing to gain so rapidly and look so much younger?" My reply was the eld story, "Swamp Angel Medicine." In fact, kind reader, few people who knew me a year ago, a consumptive invalid, can recognize me to-day. I weigh 160 lbs, have a good appetite and the powers, faculties and ambitions of a m

DEAFNESS CURED.
C. G. Tittenden, of Atlanta, Ga., cured of deafness of lifteen yearing. Celia White and Mary Caswell, both of Atlanta, cared of almost deafness after testing numbers of remedies and Medicine has never failed on a case of deafness.

DHEUMATISM CURED. Gaza cured with the medicine after suffering five years. Mrs. D. I cured a badly inflamed and swollen arm in one night with Swamp Angel.

Swolling Breasts, Tumors, Goiters, Wens, and Swellings are caused by parasites. The milk in a mother's breast will sour and ferment. Then commences the mischief. Kill this trouble every time with Swamp Angel Medicine. Goiters, tumors, and wens are developing worms. Kill them every time with Swamp Angel Medicine. Wall Chapman, Sam Jones (colored) Mollie Dixon, H. Temple, all of Atlanta, all cured of bad cases of tumors, and goiters. Sam Jones, especially, was being choked to death with a large goiter on the neck. In one month was wearing a collar and necktie, same as other people. Swamp Angel Medicine did the work. Could add fifty cases if had space FIDNEY, BLADDER AND LIVER TROUBLES.

Swamp Angel Medicine acts most effectively on the Kidneys. The urine often smells of the medicine, especially when taken in large doses. G. W. McWilhams, president of the Sub-Alliance at Stockbridge, Ga., could not stoop and pick up a pin. After using Swamp Angel Medicine three weeks he could pick up 130 pounds. It made him a new man; better than he had been in twenty years. James Jackson, Atlanta, suffered for years with diabetes; cured with two bottles of Swamp Angel Medicine. Russell Whaley, Atlanta, cured of inflammation of the bladder in one week with Swamp Angel Medicine.

A STHMA AND CATARRH,
conceded by the best medical experts to be caused by parasites, germs of microbes, Swamp Angel Medicine never fails to kill the bugs. Mrs. Spinks, living on J. J. Brogdin's place, near Lawrenceville, Ga., had been propped up in bed six months with asthma. In a week after commencing the use of Swamp Angel Medicine she was up and doing her own housework. Could give you many remarkable cures of both catarrh and asthma. Swamp Angel Medicine will cure if you give it a trial.

HEIR NAMES ARE MANY. Margaret Morton, 45 Courtland street, down in bed six months with consumption. In less than one week after commencing the use of Swamp Angel Medicine she was walking around and attending night shows. In two weeks she was walking a mile in the hot August sun. J. W. McDonald, West End, Ga., suffered thirty years with throat and lung diseases; cured sound and well with Swamp Angel Medicine. Dora Strickland, DeKalb county, down in bed three months with consumption; she was walking about everywhere after commencing the use of Swamp Angel Medicine. Isaac Harper (East Point, Ga.), J. H Thomas, J. H. Cooper, Mattie Tomkins, Aleck Haywood, all of Atlanta, were cured of lung diseases by this remedy.

YSPEPSIA AND INDIGESTION. Swamp Angel Medicine is a wonderful tonic, and therefore never fails on Dyspepsia and Indigestion. This trouble is simply fermentation of the stomach. Permentation is regeneration. See yeast working and milk souring through a microscope. Millions of bugs are visible. So with Dyspepsia, indigestion, and sour belches; the gastric juices have failed to force digestion. One dose of Swamp Angel Medicine put an immediate stop to all fermentation in the stomach. It kills the bugs. Cures in Atlanta, S. T. Timmons, W. S. Webb, J. H. Ray, O. K. Hornby, W. G. Gibson, and 100 more in Atlanta alone.
